**Subject:** [nsasa] Mother's Day Jewelry

The NSASA would like to thank Ms. Jill Bullwinkle for her support of our programs through her company, "A Ray of Hope - Autism Jewelry Collection by Jillary Designs." Recently, Jill raised over 700 dollars for the NSASA through the sale of her jewelry. We used some of the funds for the recent "Morning at the Movies - Shaggy Dog" and some of the funds to continue our free monthly teen and pre-teen sibling support groups. Thank you, Jill!

If you want to view Jill's Sterling Silver jewelry designs (necklaces, bracelets, earrings, anklets) which feature Swarovski crystals, please go to: <http://www.jillarydesigns.com>

Please order soon to get your jewelry in time to make Mother's Day special for your loved ones. When ordering on line, please put "NSASA" in the Requests/Notes section of the order form and JILL WILL DONATE A PORTION OF THE PROCEEDS TO ASSIST THE NSASA with the next "Morning at the Movie" date. Or call Jill at (631) 363-0233 and mention the NSASA.

Thank you for purchasing your gift from a fellow Mom who is reaching out to support all families touched by autism.

Sincerely,  
Chris Petrosino  
Co-President  
NSASA
