Dear Jill,

Thank you so much for your generous donation of a beautiful Jilliary Design bracelet that we were able to use at our Open Doors Luncheon on June 15 as a silent auction prize. We were able to raise \$15,000 in raffles and silent auction items due in part to the generosity of Jilliary Designs and other wonderful businesses. We are hoping that our fund raising efforts will enable us to provide our children with Autism with the best education possible. Your contribution of \$350 in merchandise is deductible to the fullest extent of the law as no goods or services were provided in consideration of your gift. Thank you Jill also for the checks that you have sent us from the sales of your amazing beautiful jewelry that you sold at our past events. Your additional donation this year of \$1,000 is greatly appreciated. Thanks for all the wonderful things that you do.

Sincerely,

THE FRIENDS OF ELIJA SCHOOL
